## Summer Choral Academy

### August 2-3, 2017

on the Iowa State University campus

#### Purpose

The Summer Choral Academy is open to all high school students interested in preparing the Iowa All-State Choir repertoire. A team of qualified clinicians will help the participants in learning pitch, rhythm, and text in each piece, will guide students in expressive interpretations, and will offer tools for improving intonation. A healthful approach to singing will be a primary consideration. As a choir, the participants will record each piece at the conclusion of the two-day event, with the resulting recording made available to all registrants and their conductors.

Optional: Mini-voice lessons. (20 minutes)
