The LAS world language requirement must be met. The U.S. diversity and international perspectives requirements are automatically met with courses required for this degree option (C I 406 and Music 383).

*Advanced Theory and History courses (music education major requires 1 history, 1 theory) are not offered every semester. Semesters of offerings are listed in the course descriptions in the catalog at: <http://catalog.iastate.edu/collegeofliberalartsandsciences/music/#courseinventory>

Flexibility in scheduling: Many general education and education (C I=Curriculum and Instruction) courses can easily be taken in different semesters than indicated as well as in the summer. Music courses are best kept in the order/semesters indicated. (Most music courses are offered one semester each year.)
